**Examiner's Amendment:**

1. An Examiner's Amendment to the record appears below to change the title. Should the change and/or addition be unacceptable to applicant, an amendment may be filed as provided by 37 C.F.R. 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the Issue Fee.

2. The application has been amended as follows:

The title is replaced with a new more descriptive title:

"Performing a two-step read on a MAC register in a home network as an atomic read".

**Reason for Allowance:**

3. The following is an examiner's statement of reasons for allowance:

Claims 1-15 are allowed over prior arts of record because the arts of record fail to teach or suggest a performing an improved two-step read on a MAC register in a home network for eliminating potential reading error. Particularly, the method comprises the steps of reading the lower half of the register and storing the upper half of the register into a shadow register in response to a detected increment signal.
